

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF CALIFORNIA

M E M O R A N D U M

Honorable William B. Shubb  
United States District Judge  
Sacramento, California

RE: **Andres Felix CAMUDIO**  
**Docket Number: 2:04CR00269-01**  
**MOTION TO WITHDRAW PETITION**  
**AND QUASH WARRANT**

Your Honor:

On July 28, 2009, a Petition alleging the above-named defendant violated the terms and conditions of his supervised release was filed with the Court and a warrant was issued. He is in custody in the District of Arizona and being prosecuted for being an illegal alien in the United States. The District of Arizona initially requested jurisdiction of this Court's matter be transferred to Arizona. However, they are now requesting the Petition and Warrant be recalled, as they plan to impose a greater sentence for the illegal entry to account for this violation.

Although the underlying offense in this district is Conspiracy to Possess Heroin With Intent to Distribute, the advisory guideline range on the violation is 4 to 10 months. As the District of Arizona will increase Camudio's sentence accordingly, it does not appear any further action is needed on the Petition.

**RE: Andres Felix CAMUDIO  
Docket Number: 2:04CR00269-01  
MOTION TO WITHDRAW PETITION AND QUASH WARRANT**

Should the Court agree to dismissal of the Petition and quashing of the Warrant, this Court would retain jurisdiction on the underlying case, which the undersigned believes is appropriate.

Respectfully submitted,
